Additional Travel Information

◀ OMIO Booking Platform:

For convenience, participants can also use [Omio](#) to compare and book all available transport options (bus, train, or flight) between Madrid and Salamanca in one place.

◀ Local Transport at Madrid Barajas Airport:

The airport is well connected with **city buses** (day and night services) as well as **official airport taxis** available 24/7 at all terminals. Taxis have a fixed fare to central Madrid, making it easy to reach bus or train stations if you choose Options 2, 3, or 4.

Important Note

- ◀ **High-speed trains (AVE/Alvia)** to Salamanca depart exclusively from **Madrid Chamartín Station**.
- ◀ **Príncipe Pío Station** serves only **regular and regional trains**, with travel times ranging from **2h 45m to 3h 45m**, depending on the route.
- ◀ For **bus travel**, please note that in addition to the direct airport–Salamanca line, other bus services departing from Madrid city may include intermediate stops. This can extend the journey time to **between 2h 45m and 3h 45m** depending on the number of stops.
- ◀ **NOTE:** Madrid city buses **do not allow large suitcases**, so they are less convenient if you are traveling with heavy luggage.
- ◀ **Taxi or Ride-Hailing Apps:** Services such as **Uber** and **Cabify** are widely used. Alternatively, taxis are available at the airport exit.
